Introducing Oticon Verit™
**Always ready
when you are**

No matter where you are, who you're with, or what you're doing, you need a hearing aid that's always ready to help you hear life's amazing sounds.

Oticon Verit brings you a whole new level of sound quality combined with the latest connectivity features and the convenience you trust from powerful disposable batteries. This ensures that you're always ready to hear, participate, and connect to the world around you.

Confidence - anytime, anywhere

Designed for all-day clarity and comfort, Oticon Verit gives you access to the full sound scene for a premium sound experience, so you can feel confident in any situation.

Enjoy all-day performance

Feel supported every minute of your day with the latest Oticon artificial intelligence sound processing.

Give your brain more to work with

Get access to the full sound scene thanks to unique features that support how your brain naturally works.

Connect to your digital world

Connect seamlessly to your favorite people, places, and devices.

Stay confident and in control

Simply swap out the powerful disposable batteries when needed.

Premium sound everywhere

Being at your best in every moment

Whether you're chatting with friends in a noisy room or taking a call on the go, you need reliable, clear, natural sound. Oticon Verit is designed for the real everyday world of sounds, with unique features that immerse you in more clarity, comfort, and connection to your surroundings.

You'll enjoy more of the sounds you love, with fewer interruptions. Common challenges – such as wind and handling noise, and sudden sounds like slamming doors – won't be in your way thanks to Oticon's unique BrainHearing™ technology. You can stay confident even in busy, outdoor environments.

Personalized premium sound

The AI in Oticon Verit adapts seamlessly as you go from work to play and everything in between.

Clarity plus awareness

Enjoy clear, comfortable conversations without giving up awareness of sounds around you.

Confidence anywhere

Proven to give you superior speech clarity, even when you're in a noisy place.*

* Gade (2026). Bring superior speech clarity and access to speech cues to more listeners with Oticon Verit™. Oticon Research Brief.

DID YOU KNOW?

You hear with your brain - not just your ears

Oticon Verit uses advanced technology to support your brain's natural sound processing. It gives you access to all relevant sounds,

keeping you confidently connected to the sounds that matter in your life.

Oticon
BrainHearing™
Technology

Stay connected seamlessly

Enjoy all the richness of your digital world as you stream calls, meetings, music, and more.

World-class connectivity

With Oticon Verit, you can always take hands-free calls* and stream sound seamlessly via the latest Bluetooth® technology right from your phone, Apple Watch®**, TV, PC, or tablet.

Enjoy the latest audio experiences

With new Auracast™ technology, you can also connect directly to broadcasts in public venues, opening up even more of your world of sound.

Full control at your fingertips

Now better than ever, the Oticon Companion app helps you get the most out of your hearing aids with the power to discreetly control and personalize your experience.
