Beltone **Envision**

Illuminate life with intelligent hearing technology and sound

Explore **now**

Make new connections

Effortlessly start streaming

Connect to Bluetooth® Low Energy (LE) Audio and Auracast™ broadcast audio to enjoy the clearest all-day streamed sound with low battery usage and a reliable connection.* Plus, double tap** your hearing aids to answer hands-free calls from iPhone, iPad and compatible Android™ mobile devices.***

Auracast for all

Use the world's first Auracast Assistant for hearing aids in the Beltone HearMax™ app to connect to broadcasts with a tap!

Illuminate every moment

Natural sound and intelligent technology

Beltone Envision™ combines the natural strength of the human brain with intelligent technology to boost your ears' unique abilities. Experience the true radiance of sound and always feel in control of your hearing.

Highlight speech, reduce distractions

Our hearing aids are the world's best for hearing in noise, making it easy for you to relax and join conversations. Beltone Envision is trained to tone down thousands of proven annoying noises, highlighting instead the sounds you want to hear.

*Bluetooth SIG

**TapControl works with hands-free calls. Only available with the Beltone Envision microRIE.

***Hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation), iPad (10th generation) or later, with software updates iOS 15.3 and iPadOS 15.3 or later. Bluetooth LE Audio works with Beltone Envision and compatible mobile devices with Bluetooth 5.3 or later.

Match your **lifestyle**

Designed for comfort and reliability

Enjoy great wearability with our ergonomic designs that sit comfortably on your ears. Get all the battery power you need even when streaming, and simply enjoy your day with this incredibly durable solution that has all-weatherproof nanocoating on every part.

Super-discreet styles
