ReSound GN

Next-era hearing

Made for Auracast™.
Top-rated for hearing in noise.
Smaller than ever. And…

ReSound Nexia

… it all starts now

Join the next era of hearing and connectivity with ReSound Nexia™ hearing aids.

Bring your world closer

Connect with new Bluetooth® Low Energy (LE) Audio and Auracast™ broadcast audio to open up a new universe of personal and shared listening experiences.

An enhanced Bluetooth experience

ReSound Nexia connects to new Bluetooth LE Audio with compatible devices, offering the clearest sound and lowest battery consumption for all-day streaming.[1]

Join the new world of Auracast

Auracast broadcast audio, the next generation of assistive listening technology, is rolling out in public places globally and in everyday devices to help make hearing inclusive. With ReSound Nexia, be one of the first to experience it.

[1]Bluetooth SIG

Enjoy beautiful, clear sound

ReSound Nexia is top-rated by users for sound quality and hearing in noise.[2]

Clear sound, great conversations

Focus on what you want to listen to without missing out on the sounds around you.

Experience hands-free calls

Stream hands-free calls from iPhone, iPad* and compatible Android™ devices** directly to your ReSound Nexia hearing aids.

[2]End-user NPS rating, GN proprietary data (on file).
*Hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation), iPad (10th generation) or later, with software updates iOS 15.3 and iPadOS 15.3 or later.
**See compatibility on resound.com/compatibility

Comfortable, small size

Experience our most advanced technology in small and comfortable styles.

Smallest rechargeable style

The ReSound Nexia Micro RIE is the industry's smallest rechargeable RIE yet gives you all-day battery*** and allows you to answer calls by simply double-tapping**** your ear.

Comfortable to wear all day

All ReSound Nexia styles are easy to use, all-weatherproof and designed to feel natural, giving you our best wearing comfort all day.

***All-day battery provides a maximum of 30 hours of use with typical use time of 24 hours on one charge or 20 hours when streaming 50% of the time. Battery life can vary by use.
****TapControl is available in ReSound Nexia Micro RIE models only. For a complete list of compatible devices, visit resound.com/compatibility.
