Connectivity and accessories

Future-proof connectivity

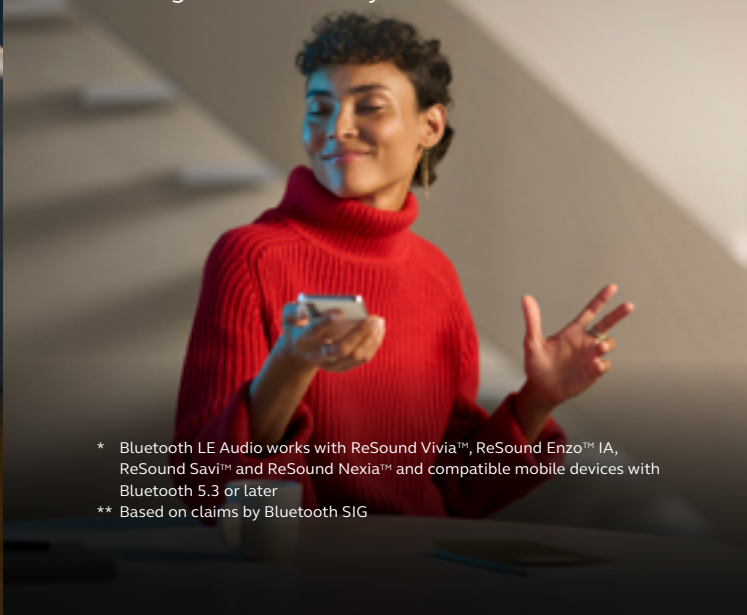

Connect with people, news or entertainment wherever you are using ReSound hearing aids.

An enhanced Bluetooth® experience

Effortlessly stream what you want with Bluetooth Low Energy (LE) Audio* and enjoy the clearest all-day streamed sound with low battery drain and a reliable connection.**

Join the new world of Auracast™

Easily connect to Auracast broadcast audio on the go. Tune into TVs and digital audio content, travel and service announcements, museum tours, conferences… Share your moments by inviting others to hear your streams.

* Bluetooth LE Audio works with ReSound Vivia™, ReSound Enzo™ IA, ReSound Savi™ and ReSound Nexia™ and compatible mobile devices with Bluetooth 5.3 or later

** Based on claims by Bluetooth SIG

Control your experience

Easily adjust volume and program settings for instant hearing clarity and comfort - especially in noisy situations.

ReSound Smart 3D app
Use the ReSound Smart 3D app on your mobile device to adjust the volume of your hearings aids or change programs to focus on what you want to hear.

Remote Control
At the touch of a button, the Remote Control gives you intuitive control over volume and program settings.

Remote Control

Eliminate noise with Multi-Mic+

Get extra support in situations where you struggle to hear. Place a microphone accessory on a table when you want to hear many people equally or clip it onto the clothing of a conversation partner or a presenter. The audio is streamed to your compatible hearing aids and you can still hear all the sounds around you.

The world's first remote mic with Auracast
Multi-Mic+* offers the future of connectivity now. Use it to start an Auracast stream, which you can share privately or publicly.

Multi-Mic+

* Multi-Mic+ is compatible with ReSound Vivia, ReSound Enzo IA, ReSound Savi and ReSound Nexia hearing aids

Bring harmony to TV time

When it's challenging to enjoy TV with your family, it's great to have a little extra help.

TV-Streamer+*
Stream high-quality sound with speech clarity to your hearing aids at the volume you prefer. Also, connect to Auracast so people in the room with Auracast enabled hearing aids or audio devices and compatible smartphones can also stream the audio.

TV-Streamer 2
Stream sound from your TV, computer or music system directly to your ReSound hearing aids.

TV-Streamer+

TV-Streamer 2

* TV-Streamer+ is compatible with ReSound Vivia, ReSound Enzo IA, ReSound Savi and ReSound Nexia hearing aids

Streaming to suit your needs

Stay connected by streaming phone calls from your mobile devices* to ReSound hearing aids.

Hands-free calls
Stream hands-free calls** from iPhone, iPad and compatible Android mobile devices. Answer calls with a simple double-tap to your hearing aid.***

More convenience with MultiConnect
Seamlessly switch between devices with Multi-Connect****. It pairs to two mobile devices at once, for uninterrupted streaming – such as taking a phone call while streaming from a laptop
