Meet the key to better hearing

Introducing ReSound Key™, hearing aids designed to work comfortably and reliably with your own ears for truly great hearing. ReSound Key gives you the confidence and guidance you need to hear and enjoy every day.

LOOK FORWARD TO

- Hearing sounds clearly with less effort
- A hearing aid style for everyone
- Direct streaming from compatible Apple® and Android™ smart devices
- One easy app for individualizing your hearing aid settings for any experience
- Wireless accessories and hearing care from the comfort of your home

True clarity

Fully join in conversations with the clear sound quality of ReSound Key. Built on our Organic Hearing philosphy, our technology works to emulate the natural hearing experience as closely as possible.

BETTER HEARING ALL AROUND

Our tested and proven technology inside every pair of ReSound Key supports better listening in noise by enabling both your ears to work together. You can focus on important sounds while still monitoring what is happening around you.

With ReSound Key, your hearing will feel more natural with less listening effort, making you feel more comfortable wherever life takes you.

Guidance all the way

We have specially developed ReSound Key with your daily needs in mind.

INDIVIDUALIZE YOUR EXPERIENCES

Our intuitive, easy-to-use ReSound Smart 3D™ app is designed for Apple and Android smart devices and provides convenient adjustments on the go.

- Control volume and background noise, as well as speech and sound programs
- Find your hearing aids if you misplace them
- Check the rechargeable battery power level

GET HEARING CARE ANYTIME

Stay in touch with your hearing care professional with ReSound Assist remote hearing care options.

- Get updates to your hearing aids sent straight to your smart device as a simple download
- Have live video consultations for support, counselling, hearing assessments and adjustments

A solution that grows with you

ReSound Key allows you to live your life, communicate and connect with people and the world the way you want.

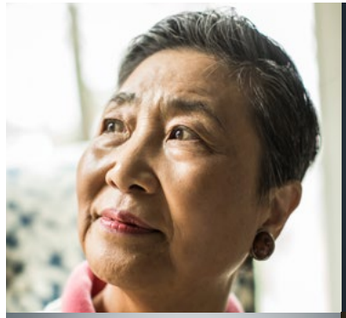

STREAMING GREAT SOUND FROM SMART DEVICES

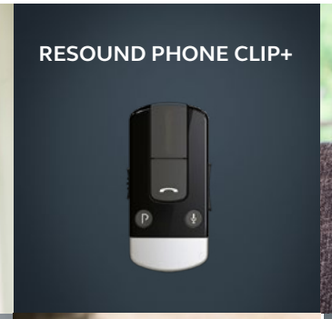

Hear calls, music, podcasts, audiobooks, and your navigation app sound streamed directly to your ReSound Key hearing aids.

HELPFUL WIRELESS ACCESSORIES

Our suite of wireless accessories gives you an extra hearing boost in challenging situations and extends the sound experience.

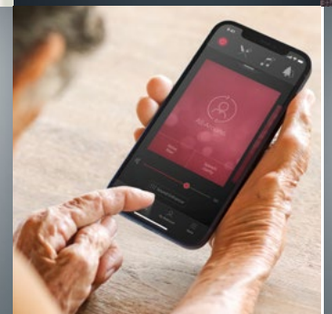

- Connect to your TV, PC and stereo and stream the audio to your hearing aids
- Hear speech directly in your ears without any added background noise
- Stream phone calls
- Have the TV volume at your preferred level without disturbing others

At ReSound we believe life is best when it's a natural, effortless flow, so we take to heart anything that holds you back. This is why we have devoted the past 150 years to making life sound better, connecting you to a life without limitations. Our breakthrough innovations, inspired by our Organic Hearing philosophy, all have one core ingredient – you, because hearing and hearing care should be as individual as a fingerprint.

ReSound is part of the GN Group – pioneering great sound from world-leading ReSound hearing aids to Jabra office headsets and sports headphones. The GN Group was founded in 1869, employs over 5,000 people, and is listed on NASDAQ OMX Copenhagen.
