ReSound LiNX Quattro

Hear your world, your way

High-performance hearing aids

A richer sound experience
From the coffee machine whirring in the morning and the laughter of the children to the music playing in the evening, ReSound LiNX Quattro™ makes the sound experience clearer, fuller and richer.

Brilliant sound experience

- Great hearing clarity all around with Binaural Directionality III[3]
- Greater listening comfort with Impulse Noise Reduction[4]
- Distortion-free sound experience with a dynamic range up to 116 dB SPL[5]
- Introducing our smallest non-wireless CIC style yet[6]

700 professionals

Highly rated by hearing care professionals

In blind testing, more than 700 hearing care professionals compared ReSound LiNX Quattro with another premium hearing aid of choice; the result is a brilliant sound experience with layers of sound.[1]

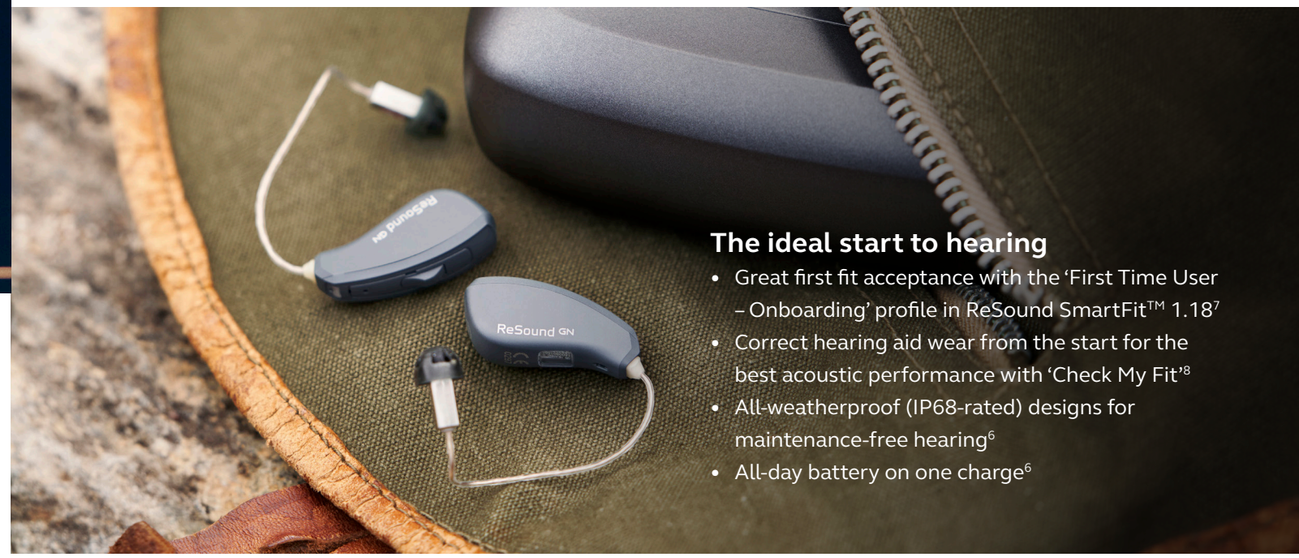

+37%

Preferred by users

Listeners with hearing difficulties rated ReSound LiNX Quattro 37% better on average compared to other hearing aids.[2]

Powered by Organic Hearing

Our unique approach to creating hearing solutions that sound natural, feel natural and connect your clients naturally to the world. Discover the difference now.

Sounds natural

Emulating the natural hearing process and the natural ways we listen as closely as possible, helping the brain to hear as nature intended.

Feels natural

Adapts organically to the person for the best wearing comfort all day long, with ease of use.

Connects you naturally

Inspired by the way we intuitively interact with people and devices in our daily lives.
