DANAVOX GN

Danavox Klar

A complete family of hearing solutions for all

Hear and be heard

Accessible for virtually everyone

Danavox is dedicated to helping people with hearing loss stay engaged in conversations, even in challenging environments. With Danavox Klar™, your clients can stay connected effortlessly and have the hearing solution that is right for them.

A solution for every client

Offer your clients the joy of personalised solutions that are designed with great care. This family of hearing aids ranges from RIEs to BTEs to customs and even includes more powerful models for challenging hearing needs.

What Danavox Klar users say

With Danavox Klar, users experience enhanced hearing and increased confidence across various listening situations. Remarkably, individuals with severe hearing loss demonstrated a 50% improvement in speech understanding while streaming calls through both hearing aids.[1]

1 Jespersen & Kirkwood (2016)

Featuring enhanced technology

- Great audibility all around compared to legacy[2]
- Greater listening comfort through sudden noises[3]
- Offer a brilliant, distortion-free sound experience and a dynamic range up to 116 dB SPL[4]
- Introducing our smallest non-wireless CIC style yet, custom made for your client and designed to hide in their ears[5]

Designed for any lifestyle

- Great first fit acceptance with the ‘First Time User – Onboarding’ profile in BeMore 1.18 fitting software[6]
- Your clients can check they are wearing their hearing aids correctly and hear their best from the start with ‘Check My Fit’[7]
- All-weatherproof (IP68-rated) designs for maintenance-free hearing[5]
- Exceptional rechargeable solution with all-day battery on one charge[5]

Staying connected

- Crystal clear phone calls – whether your clients prefer to stream calls or not
- Stream music, calls and more from iPhone, iPad or Android™ devices
- Easy control at your fingertips with our app

Powered by Organic Hearing

Our unique approach to creating hearing solutions that sound natural, feel natural and connect your clients naturally to the world. Discover the difference now.

Sounds natural

Emulating the natural hearing process and the natural ways we listen as closely as possible, helping the brain to hear as nature intended.

Feels natural

Adapts organically to the person for the best wearing comfort all day long, with ease of use.

Connects you naturally

Inspired by the way we intuitively interact with people and devices in our daily lives.
