Inspiring a **new generation**

Beltone **Serene™**

Inspiration is shared through life's special connections and stories, bringing generations together. Hear your best in noise with tiny and comfortable hearing aids.

Inspiring **special connections**

The next generation of Bluetooth

Stay connected wherever you are, streaming calls, music and more directly to your hearing aids. New Bluetooth LE Audio offers the clearest all-day streamed sound with the lowest latency and battery consumption.*

Made for Auracast

Auracast broadcast audio is being rolled out in public places globally and in everyday devices to amplify experiences and make you feel engaged. Join Auracast experiences by connecting with Beltone Serene.**

Tune in to:

Silent TVs in waiting rooms, sports bars or gyms. Announcements at airports, arenas and hospitals. Tourist information in your language.

*Bluetooth SIG
**Auracast is compatible with Beltone Serene microRIE, RIE, BTE, ITE and ITC

For noisy everyday life

Hear what's important to you

Join in with confidence. Focus on what people are saying without losing awareness of the sounds around you or feeling separated from what else is going on.

Enjoy hands-free calls

Stream hands-free calls from iPhone, iPad*** and compatible Android™ devices**** directly to your Beltone Serene hearing aids.

***Hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation), iPad (10th generation) or later, with software updates iOS 15.3 and iPadOS 15.3 or later.

****See compatibility on beltone.com/compatibility

Tiny, powerful and comfortable styles

Live life to the fullest

Enjoy astonishing sound quality with all the features and advanced technology you need. Each style gives all-day comfort, all-day battery, is easy to use and is all-weatherproof.

Get the best start to hearing

During your fitting, your hearing care professional will use our onboarding program to help you get the best start to hearing in noise.
