Beltone™

Great hearing for everyone

Say hello to a solution **you can always rely on**

Beltone Rely™ is a hearing solution with great sound quality, long-lasting rechargeability, and a comfortable design that fits your clients.

Complete confidence in any environment

- Great audibility all around compared to legacy products[2]
- Greater listening comfort through sudden noises[3]
- Offer a brilliant, distortion-free sound experience and a dynamic range up to 116 dB SPL[4]
- Introducing our smallest non-wireless CIC style yet, custom made for your clients and designed to hide in their ears[5]

Ready to **enjoy life**

- Great first fit acceptance with the 'First Time User – Onboarding' profile in Beltone Solus Max 1.18[6]
- Your clients can check they are wearing their hearing aids correctly and hear their best from the start with 'Check My Fit'[7]
- All-weatherproof (IP68-rated) full family for maintenance-free hearing[5]
- Rechargeable solution with all-day battery on one charge[5]

Hear the sounds that matter the most

Taking the first step to better hearing is a big life moment. That's why your clients seek a reliable hearing aid – one that works for their hearing, lifestyle and needs. With Beltone Rely you can offer tested and proven technology, reliable rechargeability and connectivity features, all at an affordable price.

50%

Improved hearing experience

Users hear better, use less listening effort and feel less worried about their hearing when using Beltone Rely in many types of listening situations. In fact, users with severe hearing loss experienced a 50% improvement in speech understanding when streaming a call in both hearing aids.[1]
