

The most complete hearing care solution available

Beltone gives you the opportunity to offer the world's most complete hearing care solution with a full product family that matches the needs and preferences of your clients.

By adding non-rechargeable BTE models and a mini RIE plus relaunching existing custom hearing aids with telecoil and DAI functionality, Beltone is completing the Amaze family.

Each hearing aid combines great sound quality, rechargeability*, superior connectivity options, and remote fine-tuning, and provides an amazing hearing care experience with a fuller, clearer, and richer sound.

In terms of connectivity, the full product family has direct streaming functionality from wireless accessories, iOS and Android** devices.

CIC-W | ITC-DWT Telecoil option | ITE-DWT Telecoil option | MIH-WT Telecoil option | RIE 63 Rechargeable | RIE 63 | RIE 64-DRWT Telecoil and DAI | BTE 66 | BTE 76 | BTE 86

Beltone™

* Only Beltone Amaze RIE 63
** Only Android phones with Android version 10 and Bluetooth version 5.0

Beltone **Amaze** has something for **everyone**

Mini RIE

One of the most popular designs

- Smallest RIE hearing aid from Beltone on a 312 battery
- Appealing with low visibility on the ear
- Impressive sound quality with extended bandwidth and high dynamic range
- Four receivers: LP, MP, HP, UP
- Three price levels: 17, 9, 6

BTEs

Introducing the mini BTE, standard BTE, and high-power BTE models

- Ideal for users prone to ear infections or ear drainage
- Helpful for seniors with dexterity issues
- Toggle switch and push button on standard and high-power versions
- Separate program and volume control
- Easy to clean tube and ear mold
- Three price levels: 17, 9, 6

Custom designs

The new custom hearing aids now have the option to include a telecoil

- New models and product number
- Three power levels: MP, HP, UP
- Three price levels: 17, 9, 6

RIE 64 (update)

The new RIE 64 hearing aid includes the telecoil and DAI functionality

- New model and product number
- Four power levels: LP, MP, HP, UP
- Three price levels: 17, 9, 6

The Beltone Amaze chip platform features the latest sound processing functionalities. Created and refined through years of innovation, the chip is the ultimate in high performance and low power consumption, and the heart of an industry-leading solution.

30% more computing power

100% speed increase

20% power consumption reduction

100% memory increase
