# Danavox Astro Pro

## A new dimension of stellar sound and connections

# Explore new dimensions of sounds

Our brain naturally filters sound to focus on what matters, but hearing loss hinders this ability. That's why we designed Danavox Astro™ Pro with Intelligence Augmented, to enhance your brain's natural processing of sound when it needs a little extra help in challenging environments.

# Discover your perfect fit

Experience cutting-edge technology in sleek, discreet designs, such as the rechargeable microRIE – the world's smallest AI hearing aid – and other small styles that use batteries.

**All-day wear**

Danavox Astro Pro is made for you to wear and forget. With all-day battery life* in all styles, you never need to worry about running out of power or packing your hearing aids away during bad weather.

*Danavox Astro Pro provides 30 hours of use per charge, or 20 hours when streaming 50% of the time

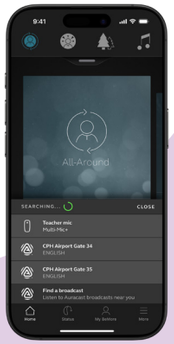

# Auracast for all

Experience Bluetooth® Low Energy (LE) Audio and Auracast with our new Auracast Assistant for hearing aids in the BeMore™ app. Stream clear audio, share the experience and quickly switch streams when you want to explore. Make your phone Auracast compatible for the simplest and clearest Bluetooth experience yet.

**How it works in the BeMore app:**

1. Click on "Find a broadcast"
2. Choose an Auracast broadcast from the list
3. Enjoy sound directly streamed to your hearing aids
