DANAVOX GN

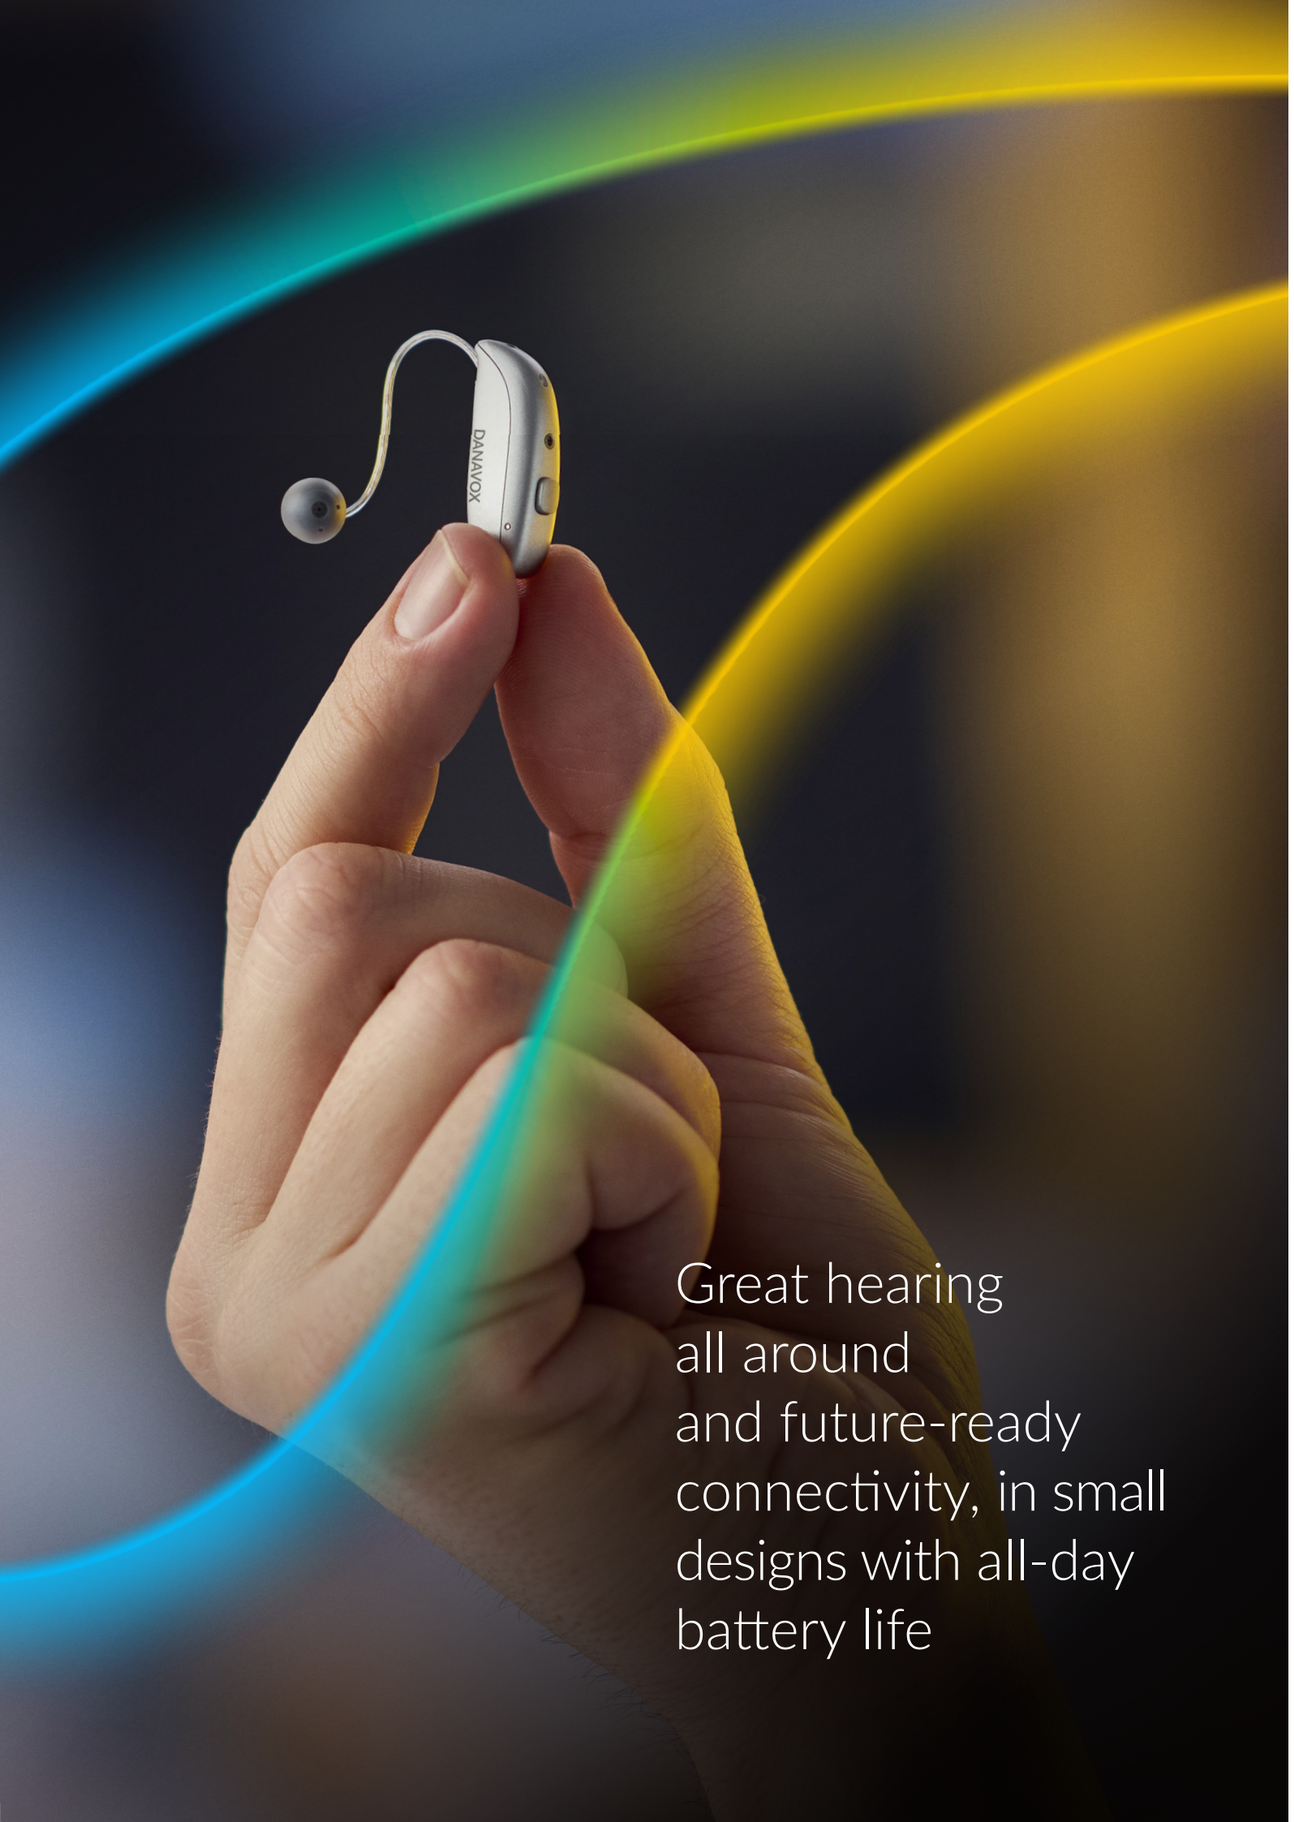

Danavox Astro **Core**

Where hearing clarity, small designs and connectivity align

FOR PROFESSIONALS

GN Bringing People Closer

Great hearing all around and future-ready connectivity, in small designs with all-day battery life

Clear as the night sky

Danavox Astro™ Core delivers outstanding hearing clarity, being among the best of its category of hearing aids[1-4] with proven features such as:

- Binaural Directionality III*
- Sound Shaper
- AutoScope**

Stellar style and effortless wear

- Introducing a new rechargeable miniRIE to the Essentials category, as well as other battery-style options
- Available in an array of beautiful colours to match and complement skin tones, hair and glasses
- Perfect for all-day wear[5] and IP68-rated, with protective all-weatherproof nanocoating on every part
- Exchangeable mic filters for easy in-clinic service

Extraordinary connectivity options

Danavox Astro Core delivers the very latest connectivity, including Bluetooth® Low Energy (LE) Audio and Auracast™ broadcast audio.

- Connect to computers, mobile devices and public streams, and get all the benefits of clear audio and hands-free calls***
- The new Auracast Assistant for hearing aids[5] lets your clients connect to and switch broadcast streams directly in the BeMore™ app
- Help your clients hear more clearly when needed with our wireless streamer solutions that connect to Auracast: TV-Streamer+ and Multi-Mic+[6-7]

GET IT ON Google Play Download on the App Store

*Available in tech level 4
**Available in tech levels 3 & 4
