Where hearing clarity, small designs and connectivity align

Crystal-clear hearing

Enjoy the benefits of advanced features, which bring you precise sound direction, tailored audio experiences and adapted listening.

All-day wear

No matter what your plans for the day are, you can be sure to hear clearly throughout it. Danavox Astro™ Core has all-weatherproof nanocoating on every part for protection against the elements.

Chic and compact
Discover our new miniRIE for a small yet powerful hearing aid. Available in rechargeable and battery options, these devices come in a range of colours to perfectly match your personal style.

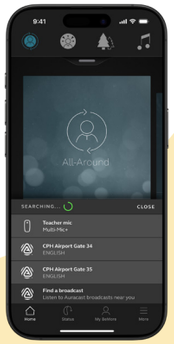

Advanced connectivity

Experience Bluetooth® Low Energy (LE) Audio and Auracast™ with our new Auracast Assistant for hearing aids in the BeMore™ app. Stream clear audio, share the experience and quickly switch streams when you want to explore.

How it works in the BeMore app:

1. Click on "Find a broadcast"
2. Choose an Auracast broadcast from the list
3. Enjoy sound directly streamed to your hearing aids
