DANAVOX GN

Danavox Boreal

Our most innovative hearing solution

Hear and be heard

Introducing our newest sound experience

With Danavox Boreal™, you will be able to offer your clients our most innovative hearing solution, packed with the newest technology, so they can easily hear and be heard. Your clients will be able to enjoy greater speech clarity in all environments, even the noisiest ones.

A successful and natural first fit

Have more time for your clients and work even more efficiently with our optimised fitting software and tools, and great remote care options, which help you to fit many needs and preferences.

Further improve your fitting success for all our products by 13% with BeMore 1.18 fitting software, the very latest version of our fitting software.[1]

Stay connected

- Crystal clear phone calls
- Hands-free calls for iPhone and iPad*
- Stream music, calls and more from iPhone, iPad or Android™ devices

* Danavox Boreal hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation), iPad (10th generation) or later, with software updates iOS 15.3 and iPadOS 15.3 or later.

Hear life through the noise

- Our best speech understanding in noise**
- Hearing clarity all around
- Natural own voice perception[2]

Enjoy easy wearability

- Optimal comfort on the ear
- All-weatherproof (IP68-rated) designs for less maintenance
- Easier onboarding with ‘Check My Fit’ in our smartphone app

Powered by Organic Hearing

Our unique approach to creating hearing solutions that sound natural, feel natural and connect your clients naturally to the world. Discover the difference now.

Sounds natural

Emulating the natural hearing process and the natural ways we listen as closely as possible, helping the brain to hear as nature intended.

Feels natural

Adapts organically to the person for the best wearing comfort all day long, with ease of use.

Connects you naturally

Inspired by the way we intuitively interact with people and devices in our daily lives.
