DANAVOX GN

Danavox Barani

A complete family of state-of-the-art hearing solutions

Hear and be heard

A brilliant sound experience

At Danavox, we dedicate ourselves to finding better ways to help people with hearing loss remain a central part of life's rich conversation – even in the most challenging environments. Danavox Barani™ ranges from custom designs to RIE and BTE options, all with superior connectivity features and remote fine-tuning software.

Approved by hearing care professionals

In blind testing, more than 700 hearing care professionals compared Danavox Barani with another premium hearing aid of choice; the result is a brilliant sound experience.[1]

Preferred by users

Listeners with hearing difficulties rated Danavox Barani 37% better on average compared to other hearing aids.[2]

1 Schumacher et al. (2019), 2 Jespersen et al. (2018)

Sound that delights

- Great hearing clarity all around with Binaural Directionality III[3]
- Greater listening comfort with Impulse Noise Reduction[4]
- Distortion-free sound experience and a dynamic range up to 116 dB SPL[5]
- Introducing our smallest non-wireless CIC style yet[6]

Don't ever miss a beat

- Great first fit acceptance with the 'First Time User – Onboarding' profile in BeMore 1.18 fitting software[7]
- Correct hearing aid wear from the start for the best acoustic performance with 'Check My Fit'[8]
- All-weatherproof (IP68-rated) full family for maintenance-free hearing[6]
- All-day battery on one charge[6]

Empowered by technology

- Crystal clear phone calls – whether your clients prefer to stream calls or not
- Stream music, calls and more from iPhone, iPad or Android™ devices
- A full spectrum of connectivity with wireless accessories
- Easy control at your fingertips with our app

Powered by Organic Hearing

Our unique approach to creating hearing solutions that sound natural, feel natural and connect your clients naturally to the world. Discover the difference now.

Sounds natural

Emulating the natural hearing process and the natural ways we listen as closely as possible, helping the brain to hear as nature intended.

Feels natural

Adapts organically to the person for the best wearing comfort all day long, with ease of use.

Connects you naturally

Inspired by the way we intuitively interact with people and devices in our daily lives.
